Item	Price	Quantity	Total
Serial Number Reconciliation	\$ 500.00 (per file)	<input type="text"/>	<input type="text"/>
BCARD® License A separate license is required for each system at each event. A license for a particular event will only grant access to cards used at that event. Licenses are stored on the SmartDongle security key which may be purchased or rented. Purchased keys can be updated with new licenses pre-event or onsite.	\$ 200.00 (per event)	<input type="text"/>	<input type="text"/>
 SmartDongle (Purchase) Can be updated with new licenses	\$ 75.00 (each)	<input type="text"/>	<input type="text"/>
 Contactless Reader (Rental) To be picked up onsite. Rental items are not shipped to users prior to the event. ITN does not sell contactless readers.	\$ 125.00 (per event)	<input type="text"/>	<input type="text"/>
 *BCARD® Test Cards Test cards are event specific and can only be read when using the appropriate license. Only the card serial number can be read without a license. Each card is printed with the event name and internal serial number. Cards do not grant access to the event.	\$ 15.00 (each)	<input type="text"/>	<input type="text"/>
